

Open House slated at La Primera

La Primera Preschool will hold two open houses this weekend to afford parents an opportunity to register their children for the fall semester.

The open houses are planned Saturday from 1 to 4 p.m. at the new branch school, La Primera North, located at Ocean Avenue and 230th Street, and Sunday from 1 to 4 p.m. at 3919 W. 242nd St. in WALTERIA.

Parents are invited to inspect school facilities and talk with teachers at the two schools.

EACH SCHOOL will hold sessions from 9 a.m. to noon and from 1 to 3:30 p.m. during the semester. A kindergarten department is being opened this year in response to requests from parents.

Classes, which get underway Monday, will be limited to 15 students and the kindergarten program will place special attention on language arts. Interviews are required in order to complete enrollment procedures.

Parents may telephone 378-4007 for an appointment.

LA PRIMERA is based on recent research studies which show that intelligence is not a static thing, but dependent upon intellectual stimulation received in the first five years of life, according to Dr. Fitzhugh Dodson, psychological consultant for the school.

Project Headstart, a federal anti-poverty program designed to expose youngsters from underprivileged areas to cultural and educational programs early in life, is based on the same theory, Dr. Dodson said.

"IF NURSERY school attendance can do this for underprivileged children," Dr. Dodson said, "look at the tremendous potential this has for children coming from a different background."

Small Boat Classes Set In This Area

Evening classes in small-boat handling will be offered this fall by the Long Beach unit of the United States Power Squadrons, according to Lt. Vic Bourbonnais, chairman of the Elementary Piloting course.

"The once-a-week courses instruction at the school is based on what Dr. Dodson calls the 'cafeteria theory.' Materials are available in all activities and children are free to choose those things which they need for their own development.

Complete information about La Primera Preschool and its program is available by calling the school.

craft operator instruction in Safety Afloat, Seamanship, Rules of the Road, Required Equipment, Aids to Navigation, Compass, and Charts and Piloting," Lt. Bourbonnais said.

Volunteer experienced pleasure boat skippers will conduct the classes open to anyone 16-years of age or over regardless of the city or county in which they live. Men and women may enroll.

Courses are being offered in this area at Mira Costa High School in Manhattan Beach and Malaga Cove School in Palos Verdes Estates.
